The Vibrational Bands of Reiki

From Ascended Master Buddha, we have learned that there are a total of eight vibrational bands for the Reiki energy spectrum, with Lightarian Reiki occupying the six highest bands...

🌟 **First Band...** Usui-based Reiki These vibrational frequencies create the foundation for all Reiki energy work. After one is attuned to the Usui levels and works with those energies for awhile, an individual may feel compelled to move beyond this introductory stage....to accelerate his/her pace of spiritual growth and the raising of personal vibration.

🌟 **Second Band...** Karuna Reiki® As the individual feels motivated to continue to expand within Reiki, one can enter the second band of the spectrum occupied by Karuna Reiki and the Lightarian Buddhic Boost (details below).

🌟 **Third to Eighth Bands...**Lightarian™ Reiki Beyond the second band, there are six additional higher bands of Reiki energy, called Lightarian Reiki, which offer the most powerful healing energies available from Master Buddha.
